

Welcome to VUU's 2019 Let's Have **FUUNd** Together Auction!

Auctions are on Sunday mornings:
February 3, February 10, February 17, and February 24

The items in this **FUUNd** Together Catalog are organized by category to make it easier for you to decide on which ones you want to bid. The categories are color coded. For example, all **Dining Together** events are color coded in **red**.

To bid on an item, write **BOTH** your name and bidder number on the line next to the amount you want to bid. If you want two spaces for an event, please write your bid number on two separate lines on the bid sheet, one per each person attending.

The highest bidder(s) wins. The next highest bidder may outbid the last bidder in a price category. For example, if six people bid \$30.00 on an event intended for six people and the seventh person bids \$40.00, the last person in the \$30.00 category loses the bid. Members of the **FUUNd** Committee will be available each auction morning to answer your bidding questions.

Buy It Now: The “Buy it Now” (maximum bid) guarantees you seats at the event. When the “Buy it Now” event category is full, the bidding for that event ends. Not every item has a “Buy it Now” price.

Be sure to monitor your bids up through 1:00 p.m. on February 24, because, in the case of some popular events, you might be outbid!

Winners: During March, all bidders will receive an email informing them of what they have won. Instructions for payment will be included in your letter. Donors will receive a list of the successful bidders for their event. **PLEASE WATCH YOUR EMAIL AND BE SURE TO CHECK YOUR SPAM FOLDER.** If you have not received your email by the third week in March, please feel free to contact us at fuundtogether@vuu.org.

All proceeds go to VUU and portions that exceed the fair market value of the event are tax deductible. Consult your tax advisor as needed.

Please Note: During the year, if you find you can no longer attend an event that you won, feel free to “gift” your seat to anyone you would like. If needed, the **FUUNd** Committee will be happy to assist you in finding a new VUU member to take your place

Diane Hansen has been quilting for about 20 years. In addition to traditional quilts, most of her new projects have been more artistic in nature. She especially enjoys making pictures of animals, birds and desert scenes. Diane has received numerous awards for her quilting work and her projects have been published in quilting magazines and in an art quilt calendar. She has taught classes in several local quilting shops. You have seen some of her latest work in church as Rev. Ancy and Rev. Kellie wear quilted stole that Diane made. She would like to design and make an art quilt for you. Theme and size to be discussed.
