

CARING AND CONCERNS COMMITTEE

POLICY STATEMENT:

The Caring and Concerns Committee exists to work with the minister and the staff to identify VUU Members and Friends who need short-term assistance, and mobilize the resources of the congregation to meet those needs. To this end, the Committee works to ensure that when VUU members are experiencing a joy or sorrow such as the birth of a child, a sudden or long-term illness, divorce, a death in the family, or other life event, we reach out to them as a loving and caring church community. The Committee identifies and employs a variety of means to provide assistance including card, phone calls, meals, transportation, visitations, and whatever else our members are able to give.

MISSION STATEMENT:

Foster a loving and caring community in which VUU Member and Friends nurture, support, and assist each other through life's joys and trials.

COMMITTEE STRUCTURE:

The Minister is a standing member of this Committee.
