III.05.01 Trustee Loyalty

Trustees must represent unconflicted loyalty to the interests of the congregation and adhere to all parts of the “Conflict of Interest” statement (Policy II G, above).

III.05.02 Considering a Trustee for Employment at VUU

In addition, should a trustee be considered for employment by the organization, he or she must temporarily withdraw from Board deliberation, voting, and access to applicable Board information. Should a trustee be employed by the organization or act as a paid consultant, he or she must resign from Board service.

III.05.03 Trustee Individual Limitations

Written policies, adopted by majority vote of the Board, shall exercise authority over the organization. Individual trustees shall not attempt to exercise authority over the organization. The Board will speak with one voice through its adopted policies.

- a. Trustees’ interaction with Senior Minister, Minister(s), staff, or committees must recognize the lack of authority in any individual Trustee or subgroup (committee, task force, ministry team).
- b. Trustees’ interaction with the public, press, or other entities must recognize the same limitation and the similar inability of any Trustee except the President to speak for the Board.

- c. Trustees will make no official, independent judgments of the Senior Minister, Minister(s), or staff performance except as that performance is assessed as part of explicit Board policies by a formal evaluation process.
- d. Trustees are encouraged to continually self-monitor their individual performance as Trustees against policies, against the qualifications listed in the current Trustee position description, and against any other current Board evaluation tools.

Section.III.06 Board Task Forces

III.06.01 Task Force Principles

The Board may establish task forces (which may also be called committees) to help carry out its responsibilities. Task forces will be used sparingly to preserve the Board functioning as a whole when other methods have been deemed inadequate. Task Forces will be used so as to minimally interfere with the wholeness of the Board's job, and so as never to interfere with delegation from Board to the Senior Minister.

III.06.02 Task Force Responsibilities

- a. Task Forces will assist the Board chiefly by preparing policy alternatives and implications for Board deliberation. Board Task Forces are not to be created by the Board to advise staff.
- b. Board Task Forces shall have a fixed time limit with defined deliverables.

III.06.03 Task Force Limitations

- a. Board Task Forces shall not speak or act for the Board except when formally given such authority for specific and time-limited purposes. Such authority will be carefully stated in order not to conflict with authority delegated to the Senior Minister.
- b. Board Task Forces are to help the Board do its job, not to help the staff do its job.
- c. Board Task Forces cannot exercise authority over staff. Board task forces will not ordinarily have direct dealings with current staff operations. Further, the Board will not impede its direct delegation to the Senior Minister by requiring approval of a Board Task Force before the Senior Minister takes action.
- d. This policy applies only to task forces that are formed by Board action, whether or not the Task Forces include non-Board members. It does not apply to Task Forces or committees formed under the authority of the Senior Minister.

Section.III.07 Board Complaint and Inquiry Process

Complaints and Inquiries concerning policy violations will be handled in accordance with the flowchart (see [Appendix A](#) below for narrative and flow chart)

Section.III.08 Member Termination Process

Pursuant to Article III section 4 paragraph 3 of the VUU bylaws the following policy pertains to the termination of membership at VUU:

- a. Suspension or termination of membership is a last resort and shall require a 2/3 majority vote of the Board of Trustees and the concurrence of the Senior Minister.
- b. A member shall be given written notice of intent to suspend or terminate membership, stating the reasons thereof, not less than thirty (30) days before the Board meeting at which such action will be taken, and shall be provided the opportunity to address the Board prior to the taking of such a vote.
- c. A Board vote to suspend or remove a member will be held in Executive Session and shall not be open to the public.
- d. A confidential record of the complaint and the action taken will be maintained by the office.
- e. Periodic review of the file will be undertaken by the Senior Minister and staff.
- f. A person whose membership has been terminated by the Board may, after two years, request reinstatement by the Board of Trustees. The Board, after careful review of the circumstances of termination, must approve reinstatement by a majority vote and concurrence of the Senior Minister.

Section.III.09 Annual Meeting

Pursuit to Article V of the By Laws, the Board of Trustees is responsible for the agenda, logistics, and conduct of an annual meeting of the congregation and for any special meetings of the congregation called by the Board.

1. The Board or its designee is responsible for educating and informing the congregation about issues that are on the agenda including:
 - a. The financial report (including the operating budget)
 - b. Election of VUU officers
 - c. Report to the congregation on the upcoming UUA General Assembly
 - d. Bylaw amendments if any
 - e. Other business to be brought before the congregation.
2. The LDC shall determine the quorum, refer to VUU Bylaws & LDC procedures.

3. In the event no budget is approved at an annual meeting where a quorum is present, adjournment will not be in order until a continuing resolution authorizing spending in the next fiscal year is passed by a majority vote of those present. This resolution must authorize VUU to meet necessary expenses until the next meeting of the congregation.

Article IV. Board Relationship to Senior Minister

Section.IV.01 Delegation to the Senior Minister

IV.01.01 Board Delegation and Policy Limitation

The Board's job is generally confined to establishing topmost policies, leaving implementation and subsidiary policy development to the Senior Minister. Ends / outcomes policies direct the Senior Minister to achieve certain results; Leadership Limitations policies constrain the Senior Minister to act within acceptable boundaries of prudence and ethics. All Board authority delegated to staff is delegated through the Senior Minister, so that all authority and accountability of staff can be phrased, insofar as the Board is concerned, as the authority and accountability of the Senior Minister. The Board may request information from the Senior Minister at any time, including but not limited to the specific reports mentioned in this document.

IV.01.02 Senior Minister Delegation and Policy Limitation

The Senior Minister is authorized to establish or delegate development of all further policies, make or delegate all decisions, take or delegate all actions and activities that are true to the Board's policies and are not otherwise specified in this document. The Board may, by extending its policies, undelegate areas authority but will respect the Senior Minister's choices so long as the delegation continues. This does not prevent the Board from obtaining information about activities in the delegated areas.

IV.01.03 Board Information Requests

No individual member or officer of the Board, or Board committee has authority over the Senior Minister. Any individual member, officer, or committee may request information, but if such request in the Senior Minister's judgment requires a material amount of staff time, it may be refused with explanation.

IV.01.04 Senior Minister Enforcement of Board Policy

The Senior Minister shall not perform, allow, or cause to be performed any act that is contrary to explicit Board constraints (see Limitations policies).

IV.01.05 Senior Minister Limitation with Respect to the Board

Senior Minister's authority does not extend to supervising, interpreting Board policies to, or otherwise directing, individual members of the Board, or Board subgroups regarding Board policy; nothing in this policy is intended to interfere with mutual interaction about individual understanding of policies.

Section.IV.02 Performance of the Senior Minister**IV.02.01 Senior Minister Authority and Accountability**

As the Board's official link to the operating organization, the Senior Minister is accountable for all organizational performance and exercise all authority transmitted into the organization by the Board via VUU's governing policies.

IV.02.02 Senior Minister Contributions

Consequently, the Senior Minister's contributions can be stated as performance in three areas:

- a. Progress toward organizational ends / outcomes and Board goals.
- b. Organization operation within the boundaries of prudence and ethics established in Board policies on Leadership limitations.
- c. Appropriate use and delegation of power.

Section.IV.03 Monitoring of the Senior Minister**IV.03.01 Senior Minister Monitoring Style**

Monitoring Senior Ministerial performance is synonymous with monitoring organizational performance against Board policies on ends / outcomes and Board goals on leadership limitations. Monitoring will be as automatic as possible, using a minimum of Board time so that meetings can be used to create the future rather than review the past.

IV.03.02 Senior Minister Monitoring Purpose

The purpose of monitoring is simply to determine the degree to which Board policies are being fulfilled. Information that does not do this will not be considered to be monitoring.

IV.03.03 Senior Minister Monitoring Techniques

A given policy may be monitored in one or more of three ways:

- a. Internal Report: Disclosure of information to the Board from the Senior Minister or its individual members.
- b. External Report: Discovery of information by a disinterested external auditor, inspector, or judge who is selected by and reports directly to the Board. Such reports must assess performance only against policies of the Board, not those of the external party, unless the Board has previously indicated that party's opinion to be the standard.
- c. Direct Board Inspection: Discovery of information by a trustee, a Board Task Force, or the Board as a whole. This is a Board inspection of documents, activities, or circumstances directed by the Board that allows a "prudent/reasonable person" test of performance.

See [Appendix B](#) for The Chart that specifies the regular reports. As often as possible these reports should be included in the material sent to the Board before regularly scheduled Board meetings so that members may thoroughly review them prior to the meeting.

Section.IV.04 Accountability Policy**IV.04.01 Board Response to Policy Violation**

The Board will pursue the following process in the event that it determines a policy violation has occurred by the Senior Minister and judges the degree and seriousness of the violation warrants initiating a disciplinary process:

- a. Verbal conversation regarding the Board's concerns (noted as such in writing to establish appropriate documentation of said step). The Team will prepare a response that addresses the concerns and provide that to the Board in writing before its next meeting
- b. Second conversation or written concern. This step will be taken if the Board's concerns have not been effectively resolved within a reasonable period of time after the first conversation. The Board will determine at the time of the second conversation or written warning whether to take further action.

- c. Any employee or volunteer in a leadership position charged with a criminal offence may be suspended by the Senior Minister, the Board, or other appropriate supervisor (with or without pay, if a paid employee) pending the outcome of said charges.

IV.04.02 Policy Violation and a Called Minister

If the Board determines through its annual evaluation process or other processes that a called Minister has violated policy or has failed to perform responsibilities adequately, and judges that the degree and seriousness warrants a response, the following process shall be followed: The Board will inform the Minister of their concerns and the Minister will be asked to respond. If the Board believes that violations are likely to continue to occur, or that performance will not meet the desired standard, the Board shall make their concerns known to the congregation. The Board is authorized to call a meeting of the congregation in compliance with VUU's By Laws (Section 7) for the specific purpose of considering the possible removal of a called Minister.

Section.IV.05 Ministerial Compensation

With regard to ordained Ministerial compensation, VUU recognizes and supports the compensation recommendations as ratified by the most recent UUA General Assembly.

IV.05.01 Ministerial Compensation Components

Ministerial compensation consists of salary (which includes housing) and benefits. Professional expenses are not part of compensation but as a cost of doing business are included in the total cost of ministry.

IV.05.02 Ministerial Compensation Special Committee

The Board will annually request a report from the Special committee (representatives from Personnel, Finance, Committee on the Ministry, if there is one, and Board) regarding their recommendations on the Ministerial package. The committee will take into account relevant information, such as the results of the annual Congregational Survey, the Ministerial Evaluation conducted by the Board, the UUA salary guidelines, and the financial condition of VUU.

IV.05.03 Ministerial Compensation Adjustment Types

Annual increases for ordained Ministers are in two separate categories: merit and cost of living.

- a. For merit raises: Results of an ordained Minister's performance evaluations for the time period since the last increase will be compiled and used in determining such merit increase. A merit increase is compensation for increased skill and growth in two areas
 - i. Accomplishment of organizational Ends / Outcomes and Board goals as stated in Board policies and
 - ii. Organization operation within the boundaries of prudence and ethics established in Board policies on leadership limitations.
- b. For cost of living raises: The financial condition of VUU will be analyzed, along with information on cost of living changes and considerations of other staff increases.

IV.05.04 Ministerial Compensation Approval

The Board will review the report from the Special committee and will determine the amount of increase in each ordained Minister's salary that is appropriate to performance and to current financial conditions. The Board will make this recommendation to the congregation as part of the annual congregational vote on the VUU budget.

IV.05.05 Ministerial Compensation Records

The Board will ensure that records of Ministerial salary increases and review this policy annually.

Appendix A: Complaint and Inquiry Process

Board member receives a complaint

- Board member informs Senior Minister and Board as a courtesy.
- Is the Board the correct level to hear the complaint or is the Board the Subject of the complaint?

If no-- advise complaining parties to take the issue directly with person or group against whom the complaint is lodged, through ministry coordinator and Senior Minister as necessary.

Exceptions include serious issues of conflict, threat, dangerousness, or fear of retaliation.

If yes, is the incident a violation or potential violation of Board Policy or By Laws?

1. If Yes, (a violation or potential violation of Board Policy or By Laws?)
 - i. Board member informs President of Board and Senior Minister as a courtesy
 - ii. Chair puts the issue on the Board agenda for next meeting
 - iii. Board president (or designee) institutes review of applicable policy and asks Senior Minister interpretation of the policy
 - iv. Board deliberates and discusses complaint and policy review.
 - v. In the Board's opinion is the incident is a violation of policy? That is, the incident is outside of "any reasonable interpretation" of Board Policy?
 - a. If yes, Board determines degree of seriousness and takes appropriate action.
 - b. If no, Is a policy update required? Board may amend policy to make the incident a violation in the future, or may leave policy as it is.
2. If no, (Board determines it is not a violation or potential violation)
 - i. Board decides whether a policy update is required?
 - ii. Board informs Senior Minister and other relevant parties of its decision.

Appendix C: Legislative History

Legislative History: Summary of changes and rationales for May, 2013 amendments. (Previous changes were not documented, although older copies of Board Governing Policy are available).

Section 1.01. VUU Mission. Retitled the section that policy governance calls “ends” to “detailed mission statement”. Rationale: various people have been uncomfortable with calling these “ends” (which is the policy-governance term). The detailed sub statements came from the 2009 “searching for our future” all-congregational (all weekend) retreat.

Section 1.05. Annual goal-setting exercise. Reworded this to provide flexibility as to when the annual goals-setting exercise is done; includes Board and Senior Minister in development of these goals (not just Board.)

Section 2.05.02. Financial limitations of Senior Minister. Added section (d) that says the Senior Minister should notify the Board in a timely way if end of year projections indicate expenditures will exceed allocations. This provision would require the Senior Minister to notify the Board if there are large expenditures they know about and which are not on the regular monthly reports that everyone gets).

Section 2.05.03. Financial limitations of Board.

Clarifies section (d) that prohibits “interfund shifting” to prohibit shifting of restricted funds, unless funds will be available to restore in 30 days. This prohibits raiding the restricted department 30 funds but permits transfers of designated funds and grants.

Adds section (h) which requires Board to review monthly and other internal financial reports. reports

Adds section (l) I that requires Board to notify congregation and consult with them if end of year projections indicate a deficit of 3% or more of the total budget, beyond the deficit approved by congregation. It was intentional that the congregation is not asked to approve or disapprove.

Section 3.07. complaint process. Refers to the flow chart on the web and to the narrative description of VUU’s complaint process that is at end of the policy governance document.

Section 4.01.05. Clarifies relationship between Senior Minister and the Board. This is just a punctuation change to connect phrases and insure they are interpreted together.

4.03.04 Clarifies monitoring by removing 4.03.04 as a separate section and attaching it to the previous section which explains how monitoring is to occur.

CHART: Changed the titles on the reports to more clearly reflect what the report is (e.g., changed “ministerial evaluation” to “leadership assessment” and changed VUU ends/outcomes to “annual congregational survey”. Added an annual report of persons recommended for removal by Board from membership roll.

Appeals process: 3.07. Added clarification that Board first considers where the complaint should be heard, with assumption that complaint should first be heard at the lowest level where

the issue arose, and then work its way through to the Senior Minister and then the Board, but with exceptions for unusual cases.
